

## "My Choice" Share Certificate Rate Change Request

### I want to take advantage of the option on my "My Choice" share certificate.

At any time during the share certificate term, you may elect a change to a higher rate which will become the prevailing rate for the "My Choice" share certificate. All rate changes to your share certificate that you decide to exercise must be made in writing. No other changes will be permitted. **The new rate will be effective from the date UKRFCU receives notification of the election.**
